

May 1, 2017

Dear Sunnymead Families,

As the end of the school year quickly approaches, so do the warm temperatures in our building! The Sunnymead community has set a goal to make Sunnymead a "Cool School" and we need your help!

On June 2, 2017, we are hosting our first annual Run for FUNd! The goal of the Run for FUNd is to raise funds while teaching our kids about the importance of fitness, teamwork, and character. Our Run for FUNd goal is to raise \$15,000+ towards our "Cool School" initiative. Collectively, the students will run more than 400 miles. We need your support and enthusiasm in reaching this goal.

We are asking you to help your student to connect to ten or more potential sponsors who can pledge FUNds towards our fundraising efforts to "Cool the School".

All proceeds will go toward our school-wide initiative to install air conditioning in EVERY classroom! This is no small feat and will be a multi-year initiative. Our goal is to have a "Cool School" within the next three years! The more money we raise each year, the more classrooms we can cool and the sooner we will reach our goal! We will use a phased approach that will allow students to reap the benefit of a "Cool School" during their time here at Sunnymead.

We are creating a "Cool School Wall of Fame". Families who have a total donation of \$750.00 or more will have their family name added to the wall of fame.

We ask that students do NOT go door to door, but instead share the attached flyer with family members and friends. The students and staff are very excited to bring this much-needed addition to our school and can't wait to get started! Your support is greatly appreciated.

Thank you!!!

Dr. Jenkins
