I am so excited to be your teacher this year. Do you know that First grade is the best grade on Earth? I am very lucky to have you in my class!

I love to make learning fun by teaching you in different ways. You are going to have such a good time that a full day of school will go by so fast! I live in Hillsborough with my husband and my son Shreyas. Shreyas will start college this year!

Since you will be in school all day beginning this year, eating healthy is important. You may bring lunch from home or choose to buy lunch from the school cafeteria. Bring in a healthy snack and a water bottle too.

I hope you are playing outside, reading and having fun. Enjoy the rest of the Summer. I will be waiting for you with a big smile in the doorway of our classroom (Room 12) on the first day of school. We are going to have so much fun together this year!

Love,  
Mrs. Murali

FAVORITES

Sitting on the beach and visiting National Parks!

Reading

A good burrito and pizza

Coco and Moana

Gardening

Tennis and Soccer

Yellow and White

Dear Parents,

My name is Sumana Murali. I am thrilled to have your child in my class this year. This is my second year at Sunnymead School. I have been in the district for over 5 years and have taught TP, First and Third grade.

This is such a foundational year and seeing a child's eyes brighten when they learn something new or watching them jump for joy when they achieve something is priceless. I am so happy to be a part of these early years.

Do send in your child with a labeled backpack, a healthy snack and a water bottle everyday. Your child could bring lunch or buy lunch from school.

The First Grade Supply List is available online on the Sunnymead page. Do let me know if you cannot find something. I am happy to help.

I am looking forward to working with you this year. Do not hesitate to email me if you have concerns or questions. I will see you in Room 12 for Back to School night!

Looking forward to a great academic year!

Sincerely,  
Mrs. Murali
