Dear Fourth Grader,

I hope you are enjoying your summer vacation! I'm excited for our upcoming year together! Fourth grade is such a memorable year at Sunnymead! You will be learning about the different regions of the United States, receiving your music recorder, possibly joining chorus, enjoying the Fourth Grade Function and of course developing into an even more creative writer! We're going to have an amazing, fun filled year of learning and I can't wait to see you in September.

Let me tell you just a little bit more about me. I'm a huge Yankees fan and love watching the team play! Taking exercise classes, bike riding and reading mystery stories on the beach are some of my favorite summer activities! I also have a sweet tooth for gummy worms!

Your teacher,
Miss Klink
