

Tender Smiles 4 Kids Mobile Dental Program

Sunnymeade Elementary School

Friday

February 15th, 2019

During the school day

Who? Students can receive an

Examination, cleaning, and Fluoride treatment, X-rays and sealants if needed-

Who pays for this appointment?

Medicaid or NJ Family Care will pay 100%

Participating Dental insurance will pay if the student has it (We accept many private insurance plans, but not all.)

Students without insurance are eligible for free screening & polishing!

What do you need to do?

Please complete this permission form, **sign it**, and **return it to school nurse**

Forms must be back by Friday, February 1st (sooner if possible!)

The student will also receive a new toothbrush & dental report card with the results of the visit and how to contact the office for follow up visits if further dental treatment is needed.

This is a **great** opportunity for your child to have a convenient dental appointment! Please send in the completed form promptly!
