

We're Going Back To School

Dear Second Grader,

Guess what! You and I will be together in Room 10 for an exciting year in second grade! I am so thrilled to have you in my class, and know that we will have a great year together!

Get ready to learn new things in science and social studies and more! We will also be learning to write even better stories, and do even trickier math problems! I hope you have a chance to read a few good books over the summer. I will ask you about them when we meet in September.

Enjoy the rest of your summer vacation. I hope you are having fun adventures that you can write about in September! I am looking forward to seeing you soon!

Love,
 Mrs. Sarik- Room 10
