

Summer 2019

Dear Parents,

I hope you are enjoying a restful, relaxing summer with your family. As we wind down our summer fun, my thoughts are looking ahead to the school year. I am very excited and happy to know that I will have your child in my 4th grade class. The only supplies I am requesting are 2 folders, 1 marble notebook and earbuds or headphones in a plastic baggie. Your child may bring these items in the first day of school. If they wish to bring their own pencils, sharpeners, and colored pencils they certainly may. All other supplies will be provided. There is no need for multiple notebooks, or multiple folders. Thank you in advance, and I wish you an enjoyable end to your summer.

Warm regards,

Mrs. Mullin
