Dear Third Grader,

Welcome to 3rd grade! I hope you are enjoying a spectacular summer! I know this is going to be an amazing year and I can't wait to see you in September. I know we are going to have an awesome, fun-filled year of learning. Third grade is such a special year at Sunnymeade! Together we will be learning all about multiplication and division, typing on the computer, writing cursive, developing into even more creative writers and participating in the live wax museum!

Let me tell you a little about myself. I am married to Mr. Stockman. We have two sons, Hans and Wyeth. Hans is married to Mariel. Hans works for Gold Fish Swim Academy, and Mariel is a rock climbing instructor. Wyeth at the Turning Point, which is a breakfast and lunch chain. I have two dogs that I love very dearly. Their names are Penny and Pickles and I have lots of stories to share about them!

For now, enjoy the rest of your vacation and I will see you really soon!

Your Teacher,
Mrs. Stockman
